Model United Nations Registration

Dear General Assembly Team and team member parents,

This is to confirm that you have successfully submitted your registration as a General Assembly Team for the YMCA MUN Conference A. You will be notified about your country assignment the day after the priority deadline.

All delegates receiving this confirmation have certified with their registration that they will attend Model United Nations. Should any delegate choose to withdraw their registration after the Final Deadline, he or she is responsible for the $175 delegate fee (as well as any additional school fees) or for finding a substitute.

All participants in MUN are required to submit a pre-conference assignment. Pre-Conference assignments turned in late will render the delegate ineligible for awards or running for office. Failure to complete and submit the pre-conference assignment will prevent a student from attending MUN, and he or she will still be responsible for conference fees.

Letter from your Secretary General

All registered delegates are expected to uphold the YMCA values of honesty, caring, respect, and responsibility.
