CCE COVID-19 Policy Update - August 24, 2021

The CCE is meeting with YMCA of Middle Tennessee leadership frequently to discuss the impact of COVID-19 on our programs. At this time, the CCE will have the following requirements to attend Model United Nations this fall:

1. Proof of Vaccination where full vaccination has occurred at least 14 days prior to the conference OR the results of a negative COVID test within 72 hours of the first day of the conference. The results must include: provider, name of patient, date of test, type of test, and negative result for COVID-19. At-home tests will not be accepted.
2. Delegates and adults will be required to wear masks in the hotel and conference center at all times, excluding inside individual hotel sleeping rooms. Masks must be worn over the mouth AND nose. Any student or adult who is not complying with the CCE mask requirements will be removed from the conference and will not receive a refund.
3. Any student or adult experiencing any of the known symptoms of COVID-19, (including, but not limited to, fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, congestion or runny nose), or who has been in close contact with a confirmed case of COVID-19 in the 10 days prior to the conference, must not attend the conference.

All COVID-19 procedures are subject to change as the situation in Tennessee evolves. Any changes will be communicated through school advisors and the CCE website.

Things that would cause the MUN A, MUN B, & Middle School conferences to switch from in-person to online:

1. Multiple school districts cancelling overnight field trips
2. Federal, state, county, or hotel restrictions on mass gatherings
3. YMCA of Middle Tennessee senior leadership decision

Virtual Alternative: The Virtual General Assembly

If in-person conferences are not feasible for your students or school or if students are not comfortable with the COVID-19 protocol, we will be holding a virtual alternative with a full-scale General Assembly. This Virtual General Assembly will include a General Assembly and committees. It will not include DPI, Secretariat, Security Council, or ICJ. The Registration Window and Deadlines for the Virtual General Assembly will be the same as the other Model UN conferences.

- The High School Virtual General Assembly will meet Friday-Saturday, December 3 and 4, 2021. The delegate fee for the Virtual General Assembly will be \$100.
- A Middle School Virtual General Assembly, in our regular Middle School conference format, will be held on November 17th, 2021. This conference will cost \$25.
